REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact person: Robin Maples

- (1) Provide a brief summary of:
- (a) What this administrative regulation does: Section 1 of this administrative regulation, effective since August 6, 1980, defines terms not used in the federal standard. Section 2 adopts by reference 29 C.F.R. 1990, the criteria and procedures for identification, classification, and regulation of potential occupational carcinogens. This amendment also updates this administrative regulation to meet KRS Chapter 13A considerations and was reviewed in accordance with House Bill (HB) 50 2017 from the Regular Session of the 2017 General Assembly.
- (b) The necessity of this administrative regulation: This regulation is necessary to meet the requirements established in Section 18 of the OSH Act, 29 C.F.R. 1902.3(c), 29 C.F.R. 1902.3(d), 29 C.F.R. 1953.1, and 29 C.F.R. 1953.5, which all require Kentucky OSH

regulations to be as effective as the federal requirements.

- (c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 338.051(3) requires the Kentucky Occupational Safety and Health Standards Board to promulgate occupational safety and health administrative regulations. This regulation is necessary to meet the requirements established in Section 18 of the OSH Act, 29 C.F.R. 1902.3(c), 29 C.F.R. 1902.3(d), 29 C.F.R. 1953.1, and 29 C.F.R. 1953.5, which all require Kentucky OSH regulations to be as effective as the federal requirements. This regulation complies and conforms with the authorizing statutes.
- (d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation promotes worker safety and health throughout Kentucky and ensures the state is as effective as the federal requirement. This regulation is necessary to meet the requirements established in Section 18 of the OSH Act, 29 C.F.R. 1902.3(c), 29 C.F.R. 1902.3(d), 29 C.F.R. 1953.1, and 29 C.F.R. 1953.5.
- (2) If this is an amendment to an existing administrative regulation, provide a brief summary of:
- (a) How the amendment will change this existing administrative regulation: Section 1 of this administrative regulation, effective since August 6, 1980, defines terms not used in the federal standard. Section 2, effective since August 6, 1980, adopts by reference 29 C.F.R. 1990, the criteria and procedures for identification, classification, and regulation of potential occupational carcinogens. This amendment also updates this administrative regulation to meet KRS Chapter 13A considerations and was reviewed in accordance with HB 50 2017 from the Regular Session of the 2017 General Assembly. Amendments to this regulation are technical and maintain consistency with other regulations.
- (b) The necessity of the amendment to this administrative regulation: The OSH Program is mandated to be at least as effective as OSHA.
- (c) How the amendment conforms to the content of the authorizing statutes: This amendment conforms to the content of the authorizing statutes of KRS 338.051 and 338.061.
- (d) How the amendment will assist in the effective administration of the statutes: This administrative regulation promotes employee health and safety throughout Kentucky and ensures the state is as effective as the federal program.
- (3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation affects all employers in the Commonwealth covered by KRS Chapter 338.
- (4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:
- (a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: No additional duties are imposed and no immediate action is required.
- (b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There is no additional cost to the OSH Program associated with the amendment to this administrative regulation.
- (c) As a result of compliance, what benefits will accrue to the entities identified in question (3): This administrative regulation promotes worker safety and health throughout Kentucky and ensures the state is as effective as the federal requirement.
 - (5) Provide an estimate of how much it will cost to implement this administrative regulation:
- (a) Initially: There is no cost to the OSH Program to implement this amendment to the administrative regulation.
 - (b) On a continuing basis: There is no continuing cost to the OSH Program to implement

the amendment to this administrative regulation.

- (6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Current state and federal funding.
- (7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new or by the change if it is an amendment: There is neither an increase in fees nor an increase in funding necessary to implement this amendment.
- (8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation neither establishes any fees nor directly or indirectly increases any fees.
- (9) TIERING: Is tiering applied? Tiering is not applied. All employers covered by KRS Chapter 338 are treated equally.

FEDERAL MANDATE ANALYSIS COMPARISON

- 1. Federal statute or regulation constituting the federal mandate. Public Law 91-596, the Occupational Safety and Health Act of 1970, Section 18; 29 C.F.R. 1902.3(c), 29 C.F.R. 1902.3(d), 29 C.F.R. 1953.1, and 29 C.F.R. 1953.5
- 2. State compliance standards. The Kentucky OSH Program is mandated by 29 C.F.R. Parts 1952 and 1953 to be at least as effective as OSHA. Accordingly, in order to maintain the state program as effective as the federal program, Kentucky must adopt the federal requirement or develop an equivalent standard. This regulation is equivalent.
- 3. Minimum or uniform standards contained in the federal mandate. The Kentucky OSH Program is mandated by 29 C.F.R. Parts 1952 and 1953 to be at least as effective as OSHA. Accordingly, in order to maintain the state program as effective as the federal program, Kentucky must adopt the federal requirement or develop an equivalent standard.
- 4. Will this administrative regulation impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate? No
- 5. Justification for the imposition of the stricter standard, or additional or different responsibilities or requirements: Not applicable

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

- 1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? This administrative regulation affects any unit, part, or division of local government covered by KRS Chapter 338.
- 2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 338.051, KRS 338.061, Public Law 91-596 84 STAT. 1590, 29 C.F.R. Parts 1952 and 1953.
- 3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect. None.
- (a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? None.
- (b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? None.

- (c) How much will it cost to administer this program for the first year? There are no costs associated with this amendment.
- (d) How much will it cost to administer this program for subsequent years? There are no costs associated with this amendment.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.

Revenues (+/-): Unknown Expenditures (+/-): Unknown

Other explanation: This amendment does not impose any additional requirements or expenditures to the employer.
